Oh, to be young and in love in the '60's. But after poor Marge gets dumped at the altar, she decides to go on her honeymoon to the Catskills with best friend Lois in search of good times. A cruisin' adventure of colorful characters, mistaken identity, and romance! Relive

the excitement of your first kiss while tappin' your toes along to rock-n-roll legend Neil Sedak's chart-toppin' music, including "Where the Boys Are," "Sweet Sixteen," "Calendar Girl," and of course, "Breaking Up is Hard To do." Rating: PG

"They use some of my best known songs and some hidden treasures. It sounds as though the songs were written for the show."-Neil Sedaka
