Everyone's favorite Disney Channel movie comes to life in *High School Musical*! Basketball star Troy falls for new student Gabriella, and they audition for the school musical despite discouragement from diva Sharpay. Between the different social groups of the school, plenty of drama unfolds over these auditions, but eventually all the students of East High must realize that they are "All in This Together"!

The Fox Valley Repertory Youth Ensemble is an exclusive, audition only program for the best and the brightest young talent. Students are responsible for memorizing lines, music and choreography, and learning the craft of theater through the process of preparing for live performances.
